

ANIMAL HOSPITAL OF LANESVILLE

1849 Highway 11 Lanesville, IN 47136 (812) 952-3643

Directions to the clinic:

From New Albany, etc, take Interstate 64 West like you are heading out to St. Louis. Get off at the Georgetown exit which is for St. Rd 64 and 62. Go left at the light, onto St. Rd. 62 heading out towards Corydon and Lanesville. After about 2 miles, watch for signs saying Highway 11 is coming up, towards Elizabeth. Hwy 11 "y"s off to the left, there is no stop sign, so you will have to watch close. If you get to the town of Lanesville, you have gone too far. In the crotch of the "y" is a big blue building that is the Animal Hospital of Lanesville. Take Hwy 11, and then turn right immediately into the parking lot.

From Corydon, get on St. Rd 62 and head east towards Lanesville. After you go through Lanesville, watch for signs saying Hwy 11, to Elizabeth, is coming up. When you see a large Silgas tank, take a very sharp right onto Hwy 11 and then take the next immediate right into the parking lot.

From Elizabeth, take Hwy 11 east towards Georgetown. About 50 feet from where Hwy 11 ends, turn left into the parking lot.
